SUPPLEMENTAL INFORMATION-DISCLOSURE STATEMENT
UNDER CFR 1.97(c)(2)

Examiner Gitomer:

Submitted herewith on Form PTO-1449 is a list of publications known to Applicants and/or their Attorney/Agent in compliance with the requirement of 37 C.F.R § 1.56 and 1.97 (c)(2). References AE and AF were indicated by the Examiner as “not found” on the Form 1449 submitted on January 16, 2004. As such, References AE and AF are resubmitted herein. Applicants enclose a copy of each listed reference and respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached Form 1449.

Applicants have listed dates of publication on the attached PTO-1449 for the cited documents based on information presently available to the undersigned. However, the listed

publication dates should not be construed that the information in the cited documents was actually published or otherwise publicly available on the date indicated.

This submission does not represent that a search has been made or that no better art exists. Nor does it constitute an admission that each or all of the listed documents are material or constitute "prior art." Further, if the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Moreover, the Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Applicants have provided the fee required with this submission, the Commissioner is authorized to credit any overpayment or charge any deficiencies to/from our **Deposit Account No. 06-1448, Reference IPT-062.01**.

Should there be any questions after reviewing this paper, the Examiner is invited to contact the undersigned at (617) 832-1746.

Respectfully submitted,
